

Transmission Scan

Legend	Item	Semrock Part #	Lot #
—	A-Polarization	Di02-R442-6x10	X22480-A22305
—	S-Polarization	Di02-R442-6x10	X22480-A22305
—	P-Polarization	Di02-R442-6x10	X22480-A22305

Note: Dichroic was measured at 45° incidence.
Qty: 705

The graph above is representative of the coating lot from which your filter was manufactured. The spectrum of your actual filter(s) might differ slightly within manufacturing tolerances and is certified to meet all optical specifications as detailed in the Semrock online catalog or in the associated custom specification drawing.

This Semrock Product is RoHS2 compliant (Directive 2011/65/EU) and REACH compliant (Regulation (EC) No 1907/2006)
